All eight buttons can be configured for any function

Ads an extra panel to your control system (keypad with 8 extra buttons)

HDMI, VGA, 3.5 mm audio mini-jack, network cable (RJ45), USB-A connects

The New EasyConnect - NEB is an addition to the EasyConnect Control, giving you the opportunity to add an extra keyboard to your installation.

The Neets EasyConnect - NEB has no control capabilities and is only a complimentary to the EasyConnect Control unit.

You can have a Neets EasyConnect – Control (EcHo or SieRRa version) at one end of the table controlling all your AV equipment. Adding a Neets EasyConnect - NEB at the other end of the table will ensure everybody is in reach.

The standard version of the Neets EasyConnect accommodates all five typical connections for laptop computers and most tablet-type mobile devices.

The integrated AC power receptacle eliminates the need to find extension cords for connecting to distant wall outlets.

EasyConnect – NEB includes a set of NEB Extenders. With the NEB Extender, you can extend the cable length with up-to 40 meters.

Default cables included:

3.5 mm audio

HDMI

USB-A

VGA

Cat-5 type (RJ45)
Cat-5 type (RJ45)
