

Connect and control with one click or a touch

No cables on the floor
AV cables (1.7 m) pull out and retract easily for storage

Standard version connects
HDMI, VGA, 3.5 mm audio
mini-jack, network cable
(RJ45) and USB-A

Direct-out 12V power supply

One AC power connector:
EU, Universal or DK power

Direct access to AV control
functions with Neets
Control - SieRRa integration

Easy to use - choose source,
start presentations, roll down
screens and dim the light with
one button

Control AV systems via wall
panel buttons, computer or
mobile device touchscreen

A fully networked system
Connects directly to LAN

All eight buttons can be
configured for any function

Neets EasyConnect - SieRRa solves one of the most common problems encountered in AV presentations: When a guest presenter wants to connect a laptop computer, the proper cables are missing, or they are too short, or the connection point is hidden away in a floor pocket or wall panel.

The EasyConnect is the obvious solution. All necessary connections are readily accessible, inside a durable metal enclosure.

The standard version accommodates all five typical connections for laptop computers and most tablet-type mobile devices.

The integrated AC power receptacle eliminates the need to find extension cords for connecting to distant wall outlets.

The EasyConnect - Control is sold as a package including the integrated Neets Control - SieRRa AV control system, and starting a presentation is as easy as pushing one button or use the touchscreen of a mobile device to start the projector, select the video source, lower the screen, turn off room lights and close the room-darkening blinds.

Neets EasyConnect - SieRRa is elegant, flexible and remarkably easy to use.

Default cables included:

3.5 mm audio

HDMI

USB-A

VGA

Cat-5 type (RJ45)

Cat-5 type (RJ45)

AC power connector choices:

EU "schuko"
power socket

Universal
power socket

DK
power socket

Technical specifications:

Neets EasyConnect - Control:

Direct access to AV control functions w/ Neets Control Echo or SieRRa integration

Direct-out 12V power supply

Enclosure type:

Metal (steel box with cast aluminum top and lid)

Sliding cover with cable pass-through

Default cables:

HDMI, VGA, 3.5 mm audio, USB-A, Cat-5 type (RJ45)

AC power connector:

EU, Universal or DK power connector

Dimensions:

Recessed box:

Please see illustrations in the EasyConnect manual

Top plate:

Width: 252 mm

Depth: 135.5 mm

Weight:

2.15 kg

Neets Control - SieRRa:

Communication ports:

1 X RS-232 (TX and RX)
Baud: 1200 – 115200
Data Bit: 7/8
Parity: None, even, odd
Stop Bit: 1/1/5/2

2 x RS-232 or IR (TX only both)

RS-232
Baud: 1200 – 115200
Parity: None, Even, Odd
Stop Bit: 1/1/5/2

IR:

Transmit
381 Hz – 500 kHz
Devices: 4

LAN:

Speed: 10/100 Mbit auto-detect
Devices: 5

3 X input/output:

Input:
Sense Low: <1 VDC
Sense High: >4 VDC

Output:

Type: Open drain
Max Voltage: 24 VDC
Max Current: 0.5 A

Neets expansion bus (NEB):

12 V (0.3 A) output

Product item numbers:

305-0201

EasyConnect - SieRRa EU, includes a set of default cables, Neets Control - SieRRa and EU power socket.

305-0206

EasyConnect - SieRRa Uni, includes a set of default cables, Neets Control - SieRRa and universal power socket.

305-0203

EasyConnect - SieRRa DK, includes a set of default cables, Neets Control - SieRRa and DK power socket.
