

The VWPOP65-L is purpose designed for easy and fast servicing of recessed multi-screen installations. The simple one touch „pop out“ mechanism allows full extension of the display out of the videowall so access and servicing can be performed quickly and safely. Tool-less micro-adjustment is included for seamless alignment of the displays and precision dedicated spacers eliminate requirement for on-site calculations and measurements.

FEATURES

- Tool-less independent 8-point micro-adjustment provides seamless alignment of the displays.
- Fast Release Pop-out mechanism provides convenient display access designed for used in enclosed or recessed installations.
- Pop-out mechanism can be temporarily removed with security locking screw to prevent unintentional pop-outs.
- Open Frame design allows full electrical wiring access and Integrated cable management strips make display-to-display cabling simple.
- Sequentially drilled wall plate and precision dedicated display spacers eliminate requirement for on-site calculations.
- Fast Release Pop-Out mechanism can be adjusted for varying display weights, ensuring safe and controlled extension.
